MEN

The seeds are the top 32 players on the ATP Entry System Position (ESP), **BUT** then rearranged on a surface-based system. A seeding Committee is not required for the Gentlemen's Singles since the seeding order is determined using an objective and transparent system to reflect more accurately an individual player's grass court achievements: The formula is:

- Take ESP points at 15 June 2009
- Add 100% points earned for all grass court tournament in the past 12 months
- Add 75% points earned for best grass court tournament in the 12 months before that.

Please note that the points totals have been adjusted to reflect the changes made to the ATP Entry System since last year.

LADIES

The seeding order follows the WTA entry ranking list, except where in the opinion of the Committee, a change is necessary produce a balanced draw.
